## SENATE BILL 1476

Governor Schwarzenegger signed SB 1476 (Figueroa) into law on September 29, 2006. This legislation extends the existence of the Board for Geologists and Geophysicists (Board) until July 1, 2009. The Board will have to prepare another 'Sunset Review' report for presentation to the Legislature's Joint Committee on Boards, Commissions, and Consumer Protection (Committee) by September 1, 2007 to enable legislation continuing the Board for consideration in the 2008 legislative year.

For a look at a template of what the Committee may be considering, please utilize this link:
